This pharmacy directory was updated on 10/23/2025. For more recent information or other questions, please contact Age Right Advantage Health Plan Member Services at 1-844-854-6885 (TTY 711).

Hours of Operation: 8a.m. to 8 p.m., seven days a week, except Thanksgiving and Christmas) from October 1 through March 31 and Monday to Friday (except holidays) from April 1 through September 30, or visit [agerightadvantage.com](http://agerightadvantage.com).

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at [agerightadvantage.com](http://agerightadvantage.com).

You may also call Member Services at 1-844-854-6885 (TTY 711) for updated information.

**Introduction:** This booklet provides a list of AgeRight Advantage’s network pharmacies in Washington. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and AgeRight Advantage’s formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under AgeRight Advantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 10/23/2025. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Costco Pharmacy. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact AgeRight Advantage.

For refills of your mail order prescriptions, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-844-854-6885 (TTY 711) and optionally other contact information].
