New Member Benefit Guide

The AgeRight Advantage mission is to promote the vitality within each member and to support them along their aging journey. AgeRight Advantage is a Medicare Advantage Plan **local to the Pacific Northwest owned by long-term care operators**. This plan was specifically created for those living in senior living with the goal of helping all of our members, AgeRight.

Our mission is to make healthcare more accessible for seniors. Beyond the benefits offered by Original Medicare, AgeRight Advantage provides its members with regular on-site care from a NP/PA and routine podiatry, vision, dental, and audiology appointments with contracted providers. In addition, members also have coverage for eyewear, hearing aids, and transportation to medical appointments.

Accessing Your Supplemental AgeRight Benefits

AgeRight offers hearing, vision, dental, and podiatry benefits that can be used at local in-network clinics. Additionally, where possible, AgeRight has contracted with mobile providers to see members at their senior living community.

NationsBenefits

AgeRight Advantage has partnered with NationsBenefits to manage our members' hearing, transportation, and over-the-counter benefits, where applicable.

Each AgeRight Advantage member will receive an AgeRight Advantage debit card from NationsBenefits, and once activated, the member can use it to access their benefits.

Hearing:

The facility/family/member can call 877-200-3586 (TTY: 711) and a representative will assist in finding a clinic and scheduling an appointment.

Transportation:

Please see the additional NationsBenefits pages

Over-the-Counter:

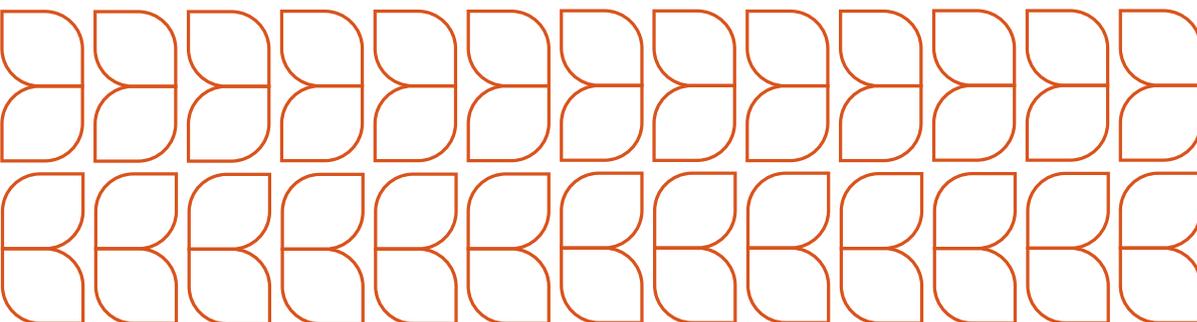

Shortly after enrolling—and before the start of each year—the member will receive a catalog in the mail of over-the-counter items. The facility/family/member can call 877-200-3586 (TTY: 711) or log into the portal at **members.nationsbenefits.com** and order items. The member can also use their debit card to purchase qualifying items at their local grocery store or pharmacy.

Liberty Dental

AgeRight Advantage partners Liberty Dental for the management of our dental benefit. This partnership gives our members access to Liberty's dental network, which includes our long-standing mobile provider.

Tips for Using Your Transportation Benefit

Know Before You Go

-  Rides cannot be used for pickup after surgeries or emergencies. For emergencies, call 911.
-  You cannot be transported while sitting on a 3-wheeled scooter. All medical equipment, such as oxygen, must be small enough to fit properly in the vehicle and be fully secured during the ride.
-  Always allow plenty of time for your trips. Your driver will try to arrive at your home within 30 minutes of your scheduled pick-up time, but may arrive earlier than your pickup time if travel delays are expected.
-  You may want to bring water and a snack with you in case there is a delay, especially if you have a medical condition such as diabetes.
-  Transportation drivers are not medically trained or approved to lift or carry members, including members who use wheelchairs.
-  You are responsible for all your belongings.

For general questions about your transportation benefit, to check your transportation allowance balance, or to book a ride, call a NationsBenefits Transportation Specialist toll-free at:

The Day You Go

-  Be sure to stay at your pick-up location so your driver can find you and you do not miss your ride.
-  Watch for your assigned vehicle and go to it right away. If you are not at your pick-up location when your driver arrives, they cannot wait very long for you or go back to pick you up.
-  Follow any posted Conduct Rules while riding in a provided vehicle (see more on page 4). If you need to cancel your ride, you must call NationsBenefits at least 2 hours before your pick-up time or you will be charged for the ride.
-  If your driver arrives to pick you up at the address you provided when you scheduled your ride, and is then asked to go to a different address to pick you up, your ride will be canceled and you will be charged for an additional ride.
-  Remember to call for your return ride home as soon as you are finished with your appointment. Call 1-877-200-3586, and press Option 3 if you require any assistance. TTY users dial 711.

AgeRight Advantage and Primary Care Providers (PCP)

At AgeRight Advantage, we can appreciate how difficult it can be for our members to make regular clinic visits to their community PCP and can assist between appointments. To help supplement, their dedicated AgeRight Provider can help with:

- Medication reviews and refills
- Responses to non-injury falls and skin tears
- Urgent medical needs that arise
- DME, oxygen, outpatient physical therapy, and home health orders
- Follow up visits after hospital/emergency room visits
- Ordering labs, imaging, and procedures
- Direct admission to a skilled nursing facility without 3 days at the hospital

AgeRight's model of care requires coordination with a PCP to best serve our members. Member's must identify an in-network PCP at enrollment. A list of in-network providers can be found at: [AgeRightAdvantage.com/ find-a-provider/#](https://AgeRightAdvantage.com/find-a-provider/#), can help you find one in your area. Members can also reach out to their Care Navigator with any questions.
